Welcome to the 1st " Antics In The Attic"

in our new premises

Saturday July 25th 2009

10.00 – 4.00

Our Very Special Guest Gail Pan

We invite you to join us for a wonderful day of inspired stitching, lots of girl talk and plenty of laughter. There will be treats for everyone and exciting projects for you to work on. An appetising lunch, morning and afternoon as well as tea and coffee on tap. Lucky door prizes and other little surprises. All you need to do is bring your sewing tools and join us.

We welcome Gail Pan - the designer of the very popular "Seasons" quilt and many other lovely patchwork and stitching projects – you will have seen many of her designs featured in your favourite magazines. Gail has a couple of new projects to offer us on the day and we look forward to seeing what she has in mind for our stitching pleasure. You are welcome to bring your own materials however if you prefer a kit will be available on the day for your convenience. There will be a selection of designs to make but realistically it is likely that you will only complete one on the day, the others can be taken home for you to stitch at your leisure.

We are excited about the prospect of our first Antics in our new home and hope that you can join us for what I am sure will be a wonderful day.

We are aware that it is the middle of winter and we have put a lot of effort into making sure that the venue is warm. Consider layers as it can get pretty steamy when we girls get stitching!
